Subject: Revised Home Visit Schedule under Mission Saksham Anganwadi and Poshan 2.0 -regarding.

Sir/Madam,

Presently, under Mission Saksham Anganwadi and Poshan 2.0, Anganwadi workers have to conduct monthly home visits for certain categories of beneficiaries viz., children up to 2 years, pregnant women and lactating mothers. During Home visits, AWW has to sensitize beneficiaries on health and nutrition related issues.

2. As per the New Education policy, Ministry has introduced a National Curriculum for Early Childhood Care and Education for children (3 to 6 years) and a National Framework for Early Childhood Stimulation for children (0 to 3 years). To accommodate children of age 2-3 years, the home visit schedule has been revised from 21 to 22 visits. Further, questions relating to home visits have been updated for comprehensive monitoring of all home visits to be made by the Anganwadi Worker (annexed).

3. In this regard, it is requested to issue necessary directions for the implementation of revised home visit schedule in the State/UT.
